

How to Register for AYP Events

Here is a step by step guide on how to register for AYP conference & events online.

One

If you're a Member, Sign in or find your account. If you're not a Member, click Sign up.

The screenshot shows three columns of options for logging in or signing up. The first column is for existing members, the second for current or past members who haven't set up an online account, and the third for new users. Each column has a 'Sign In', 'Find Account', or 'Sign Up' button.

Two

Next, Select your "Branch" which -is really your AYP Chapter. You can [search here for your Chapter.](#)

The screenshot shows a dropdown menu for selecting a branch. Below the dropdown, there is a red error message: "Please select a branch. Cancel".

Three

At the next screen, select Non-Member to register as a non-member, or select an [AYP Membership](#)

The screenshot shows a table of membership options with columns for Membership, Join Fee, and Rate. The 'Non-Member' option is selected.

Membership	Join Fee	Rate
New Y Professional - 1st Year	None	\$35.00 / year
New Y Professional - 2nd Year	None	\$65.00 / year
Non-Member	None	None
Y Professional	None	\$135.00 / year
Y Professional - Monthly Installment	None	\$11.25 / month

Four

Please, fill out the account info.

The screenshot shows a form for creating a new account. It includes fields for Member Name (First, Middle, Last), Birthdate, Gender, Race, Relation to Primary, Home Address (AYR Members), City, State, and Zip Code.

Five

Finally, Your Email and password will allow you to log into your account and register for events

The screenshot shows a form for creating a new account password. It includes a note about password requirements, fields for E-mail address, Enter Password, and Confirm Password, and a Submit button.

Six

You can now browse or search our programs. You can also go to events at ayponline.org

The screenshot shows two options for finding programs: 'Browse programs' and 'Search for programs by keyword'. The 'Browse' button is highlighted.
